

Dr. Jorge Bordenave, MD, FACP (JB) and or related entities, employees, contractors, vendors, affiliates, officers, directors and or shareholders which manage this website and blog do not share personal information with third-parties nor do we store information. Only information is collected about your visit for use other than to analyze content performance through the use of cookies, which you can turn off at anytime by modifying your Internet browser's settings. We are not responsible for the republishing of the content found on this blog on other Web sites or media without permission.

The information contained in this website is for general information purposes only. This website is for informational purposes only, and is not intended to be medical advice. Copying of this site strictly prohibited. The information is provided by JB and while we endeavour to keep the information up to date and correct, we make no representations or warranties of any kind, express or implied, about the completeness, accuracy, reliability, suitability or availability with respect to the website or the information, products, services, or related graphics contained on the website for any purpose. Any reliance you place on such information is therefore strictly at your own risk.

In no event will JB be liable for any loss or damage including without limitation, indirect or consequential loss or damage, or any loss or damage whatsoever arising from loss of data or profits arising out of, or in connection with, the use of this website.

Through this website you are able to link to other websites which are not under the control of JB. We have no control over the nature, content and availability of those sites. The inclusion of any links does not necessarily imply a recommendation or endorse the views expressed within them.

Every effort is made to keep the website up and running smoothly. However, JB takes no responsibility for, and will not be liable for, the website being temporarily unavailable due to technical issues beyond our control.
